

ALL SAINTS' EPISCOPAL CHURCH
Jensen Beach, Florida

The Re-Entry Planning Task Force wants to know your thoughts and comments as we plan for your attendance when we reopen our campus for in-person services, meetings, and gatherings. This simple survey is meant to assist us in making these plans (*required questions). If you are currently away from the parish, please answer as if you were still here. Additionally, if your children, grandchildren, or great-grandchildren attend our Sunday School, please complete those related questions as well. Otherwise, you can leave them unanswered.

Please have only one family member per household complete this survey. Your honesty and participation are greatly appreciated. We look forward to you sharing the survey results shortly. Thank you very much.

Name (optional):

Total number of family members attending All Saints' (including you): *

- 1
- 2
- 3
- 4
- 5

Other (Please specify):

Once the Bishop allows, how soon do you plan on returning to in-person worship services at All Saints' (Please note we will continue to livestream services)? *

- Immediately
